

Your privacy is important to Shoutcube, so here are a few important things to keep in mind.

**Information You Provide.** To sign up for Shoutcube, you may provide us with information such as an email address and nickname.

**Information You Share.** Information you choose to share on Shoutcube when you post or interact with posts is public. This includes your nicknames, comments, videos, photos and any other material. Anyone online or offline, including people off of Shoutcube, may be able to see this information. When you join a cube room, your online status appearance as a participant of the cube room may also be visible to other guests.

**Information That Identifies You.** Your nickname does NOT need to be your real name, unless you choose to share your real identity on Shoutcube. The services are completely anonymous and no private data of yours will be shared with other guests. The Site and the App are individually and collectively referred to herein as the “Services”.

**Account.** You may choose to create an account by completing and submitting an online registration form. You will be asked to provide us with certain mandatory information such as your nickname and email address, and also a password that you will use for your account. You may choose to provide optional information such as your location, age and gender. We may send an email to your nominated email address to instruct you how to confirm your registration.

**Deleting Your Information.** Once you confirm your account, you may delete content you have posted at any time. If you haven't confirmed your account, you may remove content you have shared in a cube room if you are logged in and only while you are still logged in. You may also delete your account through your Settings.

All log files are being deleted from the server every 48hours and no data are being kept.

**Accessing your information.** You can access, change and correct most of your information stored on Shoutcube in your Settings.

**Contact Us Information.** If you send us a "Contact Us" request, whether by submitting an online form that we make available or by sending an email to an email address that we display, you may be required to provide us with certain information, such as your nickname and email address.

**Share with Friends Service.** The Site and/or Software may enable you to invite your friends to use our Services by sending them an invitation email or message. You may do so by using the Site and/or Software to send an invitation email to your friend's external email address (for example, a Gmail address). If you send or post an invitation message, we may collect Personal Information about the recipient such as their email address.

**Log Files.** We may make use of log files. The information inside the log files includes internet protocol (IP) addresses, type of browser, Internet Service Provider (ISP), date/time stamp, referring/exit pages, clicked pages and any other information your browser may send to us. We may use such information to analyze trends, administer the Services, track guests' movement around the Services, and gather demographic information.

**Use of Anonymous Information.** We may use Anonymous Information or disclose it to third party service providers in order to improve our Services and enhance your experience with the Services. We may also disclose Anonymous Information (with or without compensation) to third parties, including potential partners. “Anonymous Information” means information which does not enable identification of an individual guest, such as aggregated information about the use of our Services.

**Merger, Sale or Bankruptcy.** In the event that we are acquired by or merged with a third party entity, or in the event of bankruptcy or a comparable event, we reserve the right to transfer or assign Personal Information in connection with the foregoing events.

**Security.** The security of Personal Information is important to us. We follow generally accepted industry standards, including the use of appropriate administrative, physical and technical safeguards, to protect any, if at all, Personal Information submitted to us. However, no method of transmission over the Internet, or method of electronic storage, is 100% secure. Therefore, while we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security or confidentiality. If you have any questions about security on the Service, you can contact us at [support@shoutcube.com](mailto:support@shoutcube.com).

**Children’s Privacy.** We take children protection very seriously. The Services are NOT allowed for anyone under 13. And that’s why we do not knowingly collect personal information from anyone under 13. If you believe that we might have any such guests, please contact us at [support@shoutcube.com](mailto:support@shoutcube.com) and we will take immediate action.

**Updating this statement.** Shoutcube may update this privacy policy by posting a new version. You should check this page occasionally to ensure you are familiar with any changes.

**Other websites.** For any links to other websites, Shoutcube is not responsible for the privacy policies or practices of any third party.

**Commitment.** We are committed to protecting your privacy. Protecting your privacy online is an evolving area, and we are constantly evolving our Service to meet these demands. If you have any comments or questions regarding our Privacy Policy or the handling of your Personal Information please contact us at [support@shoutcube.com](mailto:support@shoutcube.com).
